

COLOMBIA

IMMERSION EXPERIENCE PROGRAM SAMPLE ITINERARY

Day 01

Departure from the United States and arrival in Bogotá.

Day 02

Introduction to the Colombian reality while riding the Metrocable cable car. You will visit a women's project in Bogotá and delight your eyes with the beautiful views of the city from the Monserrate Hill.

Day 03

Explore the beautiful landscapes of Colombia while learning about a native tribe at the Guatavita lagoon, and be amazed by the wonderful Salt Cathedral.

Day 04

Get on the bus ride with IPM to Ibagué, and have a meeting with our Project Partners, who will introduce themselves and give a tour around the city.

Day 05

You will spend the day playing games with the children of our Project Partner: Working Children. During the afternoon, you will be on a bus ride to the beautiful Planadas.

Day 06

This day you will learn the about Colombia's complex history and visit the people of some communities in Planadas.

Day 07

A smell of delicious coffee will follow you today, as you visit a coffee farm to learn about the process of coffee from the farm to the cup you take at home.

Day 08

Back in Ibagué, you will visit the Project Partner: SER Mujer, visit the market where the women that participate in the project work, and see some of their houses. You will say goodbye to the day with a visit to a beautiful waterfall close the Ibagué's downtown.

Day 09

This is time to say good-bye to our project partners and go back to Bogotá, just in time to visit a museum and have a final reflection.

Day 10

Return to the United States.
