

DOMINICAN REPUBLIC

IMMERSION EXPERIENCE PROGRAM SAMPLE ITINERARY

Day 01

Departure from the United States and arrival in Santo Domingo, with a brief introduction to the Dominican Republic's history and culture.

Day 02

You will visit the historical Santo Domingo, a place with beautiful buildings filled with history of the colonial era.

Day 03

Bus ride to El Cercado where you will meet the leaders of various communities in the municipality and spend the night at a retreat center.

Day 04

You will visit the Sustainable Agriculture Project in Gajo de Pedro; there you will share lunch with the participants of the project and learn about how they have gained their food sovereignty.

Day 05

Spend the day with IPM Project Partners: El Cercado Community Development and the Women's Nutritional Program, visiting their many initiatives including a bakery, agricultural nurseries, peanut butter nutrition project, and more. During the afternoon, you will spend some quality time with the people of the Senior Citizen Center.

Day 06

You will meet the youth from the Derrumbadero Youth Center, and visit the local facilities in El Cercado. You will also have a great time while exchanging cultures with the Parish Youth Group at the retreat center.

Day 07

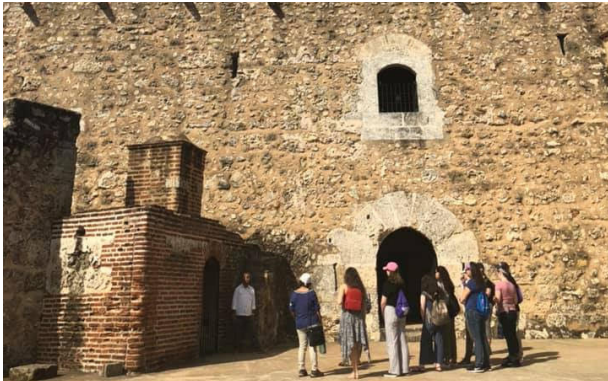

On your way back to Santo Domingo, you will get to see the beautiful church of Dioceses de San Juan. After, you will visit the beach and the wonderful Three Eyes Caves, in Santo Domingo, and share the final reflection with the group.

Day 08

Return to the United States.
